
PUBLIC NOTICE

Traffic Delays on Highway 44 and Highway 219

The Water Security Agency (WSA) will be transporting an oversized load across Gardiner Dam on Highway 44. Traffic delays can be expected between 11:00 am and 1:00 pm on July 23, 2026.

Large cranes required for this work will also be transported south on Highway 219 between July 22, 2026, and July 24, 2026.

Motorists should expect intermittent traffic delays and reduced lines of sight on Highway 219 and Highway 44 while equipment and materials are being transported. Motorists should practice caution when passing and respect the directions of any pilot vehicles or flag persons.
